## **Euthanasia Examined Euthanasia Examined:**

**Euthanasia Examined** John Keown, 2011-03-29 Whether euthanasia or assisted suicide should be legalized is one of the most pressing and profound questions facing legislators health care professionals their patients and all members of society Regrettably the debate is too often characterized by rhetoric rather than reason This book aims to inform the debate by acquainting anyone interested in this vital question with some of the major ethical legal clinical and theological issues involved The essays it contains are authoritative in that they have been commissioned from some of the world's leading experts balanced in that they reflect divergent viewpoints including a vigorous debate between two eminent philosophers and readable in that they should be readily understood by the general reader *Euthanasia Examined* John Keown, 1995

**Euthanasia Examined** Brinda Diana Paul, 2004 **End-of-Life Decisions in Medical Care** Stephen W. Smith, 2012-02-23 Stephen W. Smith explores the legal and ethical issues involved in end of life decision making

*Hospitality as Holiness* Luke Bretherton, 2010-01-01 Hospitality as Holiness will appeal to those interested in the broad question of the relationship between reason tradition natural law and revelation in theology and more specifically to those engaged with questions about plurality tolerance and ethical conflict in Christian ethics and medical ethics *Revisiting Landmark Cases in Medical Law* Shaun D. Pattinson, 2018-09-27 Is it lawful for a doctor to give a patient life shortening pain relief Can treatment be lawfully provided to a child under 16 on the basis of her consent alone Is it lawful to remove food and water provided by tube to a patient in a vegetative state Is a woman's refusal of a caesarean section recommended for the benefit of the fetus legally decisive These questions were central to the four focal cases revisited in this book This book revisits nine landmark cases For each a new leading judgment is attributed to an imagined judge Athena who operates within the constraints of the legal system of England and Wales Her judgments accord with an innovative legal theory referred to as modified law as integrity and are linked as a line of precedent The result is a re-spinning of extant judicial threads into a web of legal principles with a greater claim to coherence and defensibility than those in the original cases The book will be of great interest to scholars and students of medical law criminal law bioethics legal theory and moral philosophy **Personal Identity as a Principle of Biomedical Ethics** Michael Quante, 2017-05-24 This book brings together the debate concerning personal identity in metaphysics and central topics in biomedical ethics conception of birth and death autonomy living wills and paternalism Based on a metaphysical account of personal identity in the sense of persistence and conditions for human beings conceptions for beginning of life and death are developed Based on a biographical account of personality normative questions concerning autonomy euthanasia living wills and medical paternalism are dealt with By these means the book shows that personal identity has different meanings which have to be distinguished so that human persistence and personality can be used to deal with central questions in biomedical ethics [Principles of Health Care Ethics](#) Richard Edmund Ashcroft, Angus Dawson, Heather Draper, John McMillan, 2007-06-29 Edited by four leading members of the new

generation of medical and healthcare ethicists working in the UK respected worldwide for their work in medical ethics
