Every Child a Super Reader, 2nd Edition Pam Allyn, Ernest Morrell, 2022-04 In this revised edition Allyn and Morrell address how the 7 Strengths framework is needed more than ever in a post-pandemic world. They show how building on children's strengths while immersing them in a literature-rich classroom community can transform them into super readers: avid readers who grow together as they read and share their ideas with a sense of belonging, curiosity, friendship, kindness, confidence, courage, and hope.
