Seibel, 2025-02-06 Tommy is your average boy Except for one little difference Tommy's parents like to sexually abuse him That's putting it mildly Every day it seems he is getting punished for something or other Childhood is no fun it's filled with hard labor screaming threats and violence He is in constant fear for his life Why The end of the world and the rise of the Antichrist seems all too imminent School Please We'll all be dead by then sitting at the right hand of the throne of God If Tommy openly doubts the cult's beliefs the wrath of God is meted upon him swiftly without mercy It's no wonder Tommy's parents are members of the notorious Children of God A cult that openly embraces sex with children public floggings of children speech restriction denial of food water and basic human rights Guantanamo bay could learn a thing or two from these fuckers These crimes against humanity are committed in the name of love and the name of God At the age of thirteen Tommy has just about had enough one day He momentarily even succeeds to escape the cult commune Sadly reality kicks in very quickly and Tommy is forced to go back home His parents have had enough They confine him to a dark room for months He's not allowed to speak to his siblings or other children Even leaving the room to go toilet is out of the question One day

his parents come for him and he is whisked away in the dead of night They also inform him that he has been officially excommunicated Finally after months of travelling to and from hotels relatives and other systemites Tommy s parents give up trying to rehabilitate him The grandparents reluctantly agree to pay to put him into a boarding school Until that moment Tommy s never watched TV heard pop music or even eaten a bar of chocolate He will not see his siblings again for many many years but that s for another story The other kids in the boarding school can t make sense of this new weird and broke kid who can t speak German He talks with an American accent yet claims to be a German citizen Unsurprisingly he is beaten up and bullied It seems like life in the cult might have been the better option after all Ostracized and desperate to fit in he turns to drug dealing to make ends meet In the months that follow he must very rapidly grow up become fearless and fight back against insurmountable odds Not even a year after his arrival he witnesses a girl he deeply cares for being raped He flings open his trusted butterfly knife and rushes to save her killing the assailant in the process There s just one problem The man he murdered was a very dangerous gang leader If anyone finds out who murdered him Tommy will no doubt face torture and execution There is no turning back no one he can run to now He needs to leave everything behind all over again At night the monsters of the past come to haunt Tommy in his dreams His memories of the past are all too painful to bear yet he finds it impossible to ignore them The solution is easy Alcohol marijuana and ecstasy They may dampen the pain temporarily but in the long run they are as effective as a Band Aid on a freshly severed limb It seems at times the only way out of this misery is death That s not like Tommy though That s too easy in his mind that s a coward s solution While on the run Tommy meets a girl who lives by herself She agrees to provide him with accommodation One night Angela opens up to him She tells Tommy of all the atrocities done to her by her very own father After a decade of abuse she finally mustered up the courage to speak out Her abuser was immediately arrested 5 years later her father has served his time There is no question in Angela s mind that he will seek revenge Lucky for Angela Tommy is far more dangerous than he looks He s not a scared little boy and more importantly this time he s got a gun
