Everglades National Park A Tiny Folio:

Liquid Land Ted Levin, 2004-09-20 In Liquid Land Levin guides readers past the dire headlines about the Everglades demise and into the magnificent swamp itself where they come face to face with the remaining plants animals and landscapes that will survive only if the public protects them America's Snake Ted Levin, 2016-05-12 The acclaimed naturalist offers an in depth profile of the timber rattlesnake from its unique biological adaptations to its role in American history The ominous rattle of the timber rattlesnake is one of the most famous and terrifying sounds in nature Today they are found in thirty one states and many major cities Yet most Americans have never seen a timber rattler and only know them from movies or our frightened imaginations Ted Levin aims to change that with America s Snake This portrait of the timber rattler explores its significance in American frontier history and sheds light on the heroic efforts to protect the species against habitat loss climate change and the human tendency to kill what we fear Taking us from labs where the secrets of the snake s evolutionary adaptations are being unlocked to far flung habitats that are protected by dedicated herpetologists Levin paints a picture of a fascinating creature peaceable social long lived and despite our phobias not inclined to bite The timber rattler emerges here as an emblem of America but also of the struggles involved in protecting the natural world A wonderful mix of natural history travel writing and exemplary journalism America s Snake is loaded with remarkable characters none more so than the snake itself frightening fascinating and unforgettable A CHOICE Outstanding Academic Title Award winner
