National Football League Record & Fact Book National Football League,1984 Indians in Unexpected Places Philip Joseph Deloria,2004 Despite the passage of time our vision of Native Americans remains locked up within powerful stereotypes That s why some images of Indians can be so unexpected and disorienting What is Geronimo doing sitting in a Cadillac Why is an Indian woman in beaded buckskin sitting under a salon hairdryer Such images startle and challenge our outdated visions even as the latter continue to dominate relations between Native and non Native Americans Philip Deloria explores this cultural discordance to show how stereotypes and Indian experiences have competed for ascendancy in the wake of the military conquest of Native America and the nation s subsequent embrace of Native authenticity Rewriting the story of the national encounter with modernity Deloria provides revealing accounts of Indians doing unexpected things singing opera driving cars acting in Hollywood in ways that suggest new directions for American Indian history Focusing on the late nineteenth and early twentieth centuries a time when according to most standard American narratives Indian people almost dropped out of history itself Deloria argues that a great many Indians engaged the very same forces of modernization that were leading non Indians to reevaluate their own understandings of themselves and their society He examines longstanding stereotypes of Indians as invariably violent suggesting that even as such views continued in American popular culture they were also transformed by the violence at Wounded Knee He tells how Indians came to represent themselves in Wild West shows and Hollywood films and also examines sports music and even Indian people s use of the automobile an ironic counterpoint to today s highways teeming with Dakota pick ups and Cherokee sport utility vehicles Throughout Deloria shows us anomalies that resist pigeonholing and force us to rethink familiar expectations Whether considering the Hollywood

films of James Young Deer or the Hall of Fame baseball career of pitcher Charles Albert Bender he persuasively demonstrates that a significant number of Indian people engaged in modernity and helped shape its anxieties and its textures at the very moment they were being defined as primitive These secret histories Deloria suggests compel us to reconsider our own current expectations about what Indian people should be how they should act and even what they should look like More important he shows how such seemingly harmless even if unconscious expectations contribute to the racism and injustice that still haunt the experience of many Native American people today *Chase's 1997 Sports Calendar of Events* Contemporary Books, McGraw-Hill Trade, 1996 In the tradition of Chase's Calendar of Events comes a comprehensive guide to sporting and recreational events across the country This book lists more than 6 000 sporting events sports figures and anniversaries of events in the history of sports Extensively indexed by state and category entries include award lists direct access phone numbers addresses for teams stadiums associations and halls of fame and more Line art photos Internet Directory for Dummies Brad Hill, 1998 With search engines like Yahoo Excite and Infoseek available on the Net users may wonder why they need an Internet Directory But a search term may yield thousands of results This well thought out book selects the best of Web sites categorizes them by topic and provides descriptions The bonus CD ROM contains links in electronic format so readers can just click on the title Sports in America Bob Jacobson, Information Plus (Firm : Wylie, Tex.), 2008 Contains facts tables charts and statistics on aspects of and issues related to sports in the U S covering such topics as participation and attendance professional team sports college and high school sports the Olympics and performance enhancing drugs **Hawaii for Dummies** , 2005 Chase's Calendar of Events 2014 with CD-ROM Editors of Chase's Calendar of Events, 2013-10-10 4 000 notable birthdays 1 400 historical anniversaries 650 national and international holidays 160 religious holidays and thousands of additional days of note from all over the globe Cover **California.
