The Diaspora's Role in Africa Stella-Monica N. Mpande,2021-11-07 Africans living in the diaspora have a unique position as potential agents of change in helping to address Africa s political and socioeconomic challenges In addition to sending financial remittances their multiple hybrid identities in and out of geographical and psychocultural spaces allow them to play a role as cultural and political ambassadors to foster social change and sustainable development back in their African homelands However this hybrid position is not without challenges and this book reflects some of the conundrums faced by members of the diaspora as they negotiate their relationships with their home countries The author

uses her lived experiences and empirical research to ask are members of the diaspora conduits of Western cultural hegemony at the cost of their traditional preservation and meaningful development in Africa How does the Western media's portrayal of Africa as the Dark Continent in the 21st century influence their decision making process to invest back home How could African nations governments manage their relationships with citizens abroad to motivate them to invest in their home countries How do some citizen residents in Africa and African Diaspora communities perceive each other in the context of Africa's development How could the African Diaspora collaborate with citizen residents across growth sectors to impact Africa's development The book hopes to inspire agents of change within the diaspora and features diverse African entrepreneurs success stories and their experiences of tackling these challenges The book will be of interest to aspiring entrepreneurs researchers across African studies and the expanding and vibrant field of diaspora research *Swiftynomics* Misty L. Heggeness, 2026-01-27 Taylor Swift and Beyoncé aren't just pop megastars They are working women whose astounding accomplishments defy patriarchal norms And while not all women can be Rihanna or Dolly Parton or Reese Witherspoon their successes help us understand the central role of everyday women in today's economy *Swiftynomics* assesses the complex economic lives of American women Drawing insights from pathbreakers like Taylor Swift Misty Heggeness digs into the data revealing women's hidden contributions and aspirations the unexamined value they create by following their own ambitions She confronts misconceptions about the roles women play in today's economy by highlighting the abundance of productive activity occurring in their daily lives and acknowledging the barriers they still face Lighthearted but substantive *Swiftynomics* explores critical reforms like paying caregivers for work on behalf of their families and collecting statistical documentation of gendered labor that currently goes unrecognized Heggeness also offers advice for women so they can thrive in an economy that was not built for them Provided by publisher **How They Get You** Chris Kohler, 2025-11-11 In this sharp funny and empowering guide journalist Chris Kohler takes you through the rigged carnival of modern life where the games are broken the prizes are fake and somehow you're paying 28 to park near the entrance From loyalty schemes to late fees gift cards to sneaky supermarkets *How They Get You* pulls back the curtain on how the systems work and how to outsmart them Written for anyone who has ever looked at their bank account and thought I swear I didn't buy anything this is the ultimate handbook to understanding how the game is played and how you don't have to lose every single time You'll laugh you'll groan and you'll probably cancel a few subscriptions But most of all you'll walk away with the clarity and confidence to make better choices about how to spend and save your hard earned money *Seven Points* Amy James, 2025-12-05 Six months after the events of Crash Test Travis and Jacob's relationship faces a new test at the Singapore Grand Prix For six months twenty four year old Jacob Nichols has worked as a test driver for Crosswire Racing the best Formula 1 team on the grid For as many months he's been making things work with his boyfriend Travis Keeping the number one driver for Crosswire's biggest rival Harper Racing Travis won the Drivers Championship with Harper last year during a

Insignificant Others Sarah Jio, 2025-04-01 From New York Times bestselling author Sarah Jio comes a romantic escapist novel following a young woman stuck in a time loop of one day relationships with romantic partners from her past that asks what if you had a chance to say yes to the one who got away. An ingenious and heartfelt love story I absolutely adored this novel. Emily Giffin

1 New York Times bestselling author Lena Westbrook a perfectionist and workaholic has carefully planned and orchestrated every detail of her life. So when her boyfriend of two years breaks up with her on the night she expects him to propose she's heartbroken and confused. Lena flees to her beloved aunt's home on Seattle's picturesque Bainbridge Island to lick her wounds but when she awakens the next morning she is shocked to find herself in Paris in bed with a handsome French man who seems to think that Lena is his wife. From the elegant neighborhoods of Paris to the charming landscape of Kinsale Ireland to the sparkling skyline of New York City and many other unexpected destinations in between each time Lena awakens she finds herself somewhere else with someone else. In each experience she's given a glimpse of what life might have looked like had she chosen the road not taken. And as she becomes more clear sighted about her past decisions Lena begins to wonder were any of these former romantic encounters actually significant. Enchanting and surprising **Insignificant Others** is a lively heartfelt novel that explores the relatable and resonant what ifs of life but most especially love.
