**Born Unbreakable** Desiree Maya, 2024-07-23 I'm not good enough I'm not worthy I'm not capable Self-limiting beliefs plague us all eventually In a noisy world that sets unreasonable expectations of how you're supposed to live your life it's easy to second-guess yourself Self-limiting beliefs come from everyday things like expectations from others social media comparison cultural norms and past experiences and traumas A limited mindset can rob you of achieving peace living up to your peak potential and realizing deep fulfillment Whether you're feeling like you're not enough struggling to let go of the past or yearning simply to live life on your own terms maybe even all of the above Born Unbreakable is the roadmap to putting life's challenges in the rearview mirror Warren Buffett said The best investment you can make is an investment in yourself Now is the time to make a meaningful investment into becoming an unapologetic version of yourself This profound guide teaches how certified transformational coach Dez Maya and many others just like her have overcome self-limiting beliefs to live a limitless life five key steps that will help you acknowledge unpack and grow through limited thinking what it looks like to radically assess yourself and the environment around you so you can adjust what's not working in your favor how to take incremental action that leads to sustainable success habits and a growth mindset the importance of leaving a legacy that you can be proud of and that will make a lasting impact on the world around you

**The Future of Live** Karin van Es, 2016-11-28 Liveness is a persistent and much-debated concept in media studies Until recently it was associated primarily with broadcast media and television in particular However the emergence of social media has brought new forms of liveness into effect These forms challenge common assumptions about and perspectives on liveness provoking a revisiting of the concept In this book Karin van Es develops a comprehensive understanding of liveness today and clarifies the stakes surrounding the category of the live She argues that liveness is the product of a dynamic interaction between media institutions technologies and users In doing so she challenges earlier conceptions of the notion which tended to focus on either one of these contributors to its construction By analyzing the live in four different cases a live streaming platform an online music collaboration website an example of social TV and a social networking site van Es explores the operation of the category and pinpoints the conditions under which

it comes into being The analysis is the starting point for a broader reflection on the relation between broadcast and social media
